

*What is God's Mission?*

1. This is more than a title for a sermon in our current series of messages.

We often put this question on our own minds and on our own terms like this: "What is my mission for God?"

What does it mean to answer this question in light of the answer to the first questions? What has God throughout history been up to as His mission? (Hint: Read Habakkuk 2:14)

In what ways is God accomplishing His mission? Discuss this.

2. Our mission as a local church is to glorify God by making disciples of all people? How do your answers to discerning God's mission inform our mission as a church?

3. Maybe you are stuck when it comes to grasping what we mean by God's glory. Think of it this way: *God's glory is the perfect harmony of all his attributes into one infinitely beautiful being.*

If this is true, how does this help you understand Habakkuk 2:14? John 14:9? Isaiah 43:7? 1 Peter 2:9?
