DISCIPLESHIP

During the week throughout the city. We believe that God's vision for CFC is to glorify Him by making disciples of all people. We want to carry out the mission that Christ set into motion in Matthew 28 to GO AND MAKE DISCIPLES.

This is true no matter where a student is in their spiritual journey.

Our desire is to pair students in one-on-one or small group discipleship relationships with disciple makers that will help them mature in Christ.

COLLEGE LUNCH

Come enjoy a free home-cooked meal and fellowship with other college-aged students once a month following the 10:45AM service in the CFC gym.
