

2021 FALL-WINTER CALENDAR

VERTICAL

*Sundays @ 9:15am
in Room 106*

Vertical is a large group gathering designed specifically for middle school students (6th-8th) that provides them an opportunity to grow in their faith and develop a stronger relationship with Jesus Christ!

CORE@4

*Sundays from 4:00pm - 6:00pm
in CFC Gym & Room 106*

Core@4 is where our large group gathering goes small! This is a time for our students to eat, play games, fellowship, and spend time in small groups by studying the Bible and discussing the topic that is taught during the evening. This gives our students opportunities to get connected to the ministry while building friendships with other students and their small group leaders!
